### **Henley-Putnam Ranked Among Top Online Universities for 2010**

*Unbiased Survey Lists College Third Best in Online Education*

**(San Jose, CA, February 1, 2010)** – OnlineDegreeReviews.org announced it has named Henley-Putnam University – the country’s leading accredited online institution specializing in the field of Strategic Security – third in their ranking of online colleges and universities for 2010. Their unbiased ranking is based on more than 2,000 reviews written by current and former college students comparing 100 online universities.

According to their analysis: “Henley-Putnam University’s satisfied students consistently referred to top-notch faculty members, engaging materials, and an easy-to-navigate online program.” Henley-Putnam accredited online Bachelor of Science Degrees in Intelligence Management, Terrorism and Counterterrorism Studies, and the Management of Personal Protection received an average of 4.5 or 5 stars. The report also acknowledges Henley-Putnam for understanding the flexible needs of military members and providing great customer care.

“We are very pleased to receive this honor,” said Michael Corcoran, PhD, Henley-Putnam University president and former U.S. Secret Service Special Agent. “Henley-Putnam’s programs are specifically designed to help our students gain marketable leadership experience, develop specialized skills, and stand out from other job applicants seeking careers in Strategic Security.”

Henley-Putnam University is approved for use of Veteran benefits and supported by DANTEs, the American military’s off-duty voluntary education program. The University is a member of Servicemembers Opportunity Colleges (SOC) Consortium, the American Council on Education (ACE) and the Council of College and Military Educators (CCME). military students to give them allowable credit for their education and training through challenge, ACE credit recommendations, experiential learning and transfer credit.

Henley-Putnam's faculty is comprised of seasoned professionals with extensive hands-on experience in military, law enforcement, counterterrorism and intelligence. The university offers a mentoring program that pairs students with professionals from all areas of the strategic security world to usher them through the transition process.

OnlineDegreeReviews.org offers prospective students reviews that are free from bias from corporations and university marketing departments. Since 2006, experienced online learners have been submitting programs to address a range of online program features such as professor quality, educational technology, and student support. Once a school has received 20 student ratings and more than one program from that school is represented, it becomes eligible for the website's list of best online colleges.
