## **HENLEY-PUTNAM UNIVERSITY RANKED #1 ON ONLINEDEGREEREVIEWS.ORG**

San Jose, CA, June 26, 2008 – Henley-Putnam University ([www.henley-putnam.edu](http://www.henley-putnam.edu)), a premier university for online higher education in the field of Strategic Security, is pleased to announce that it has achieved the top ranking on [OnlineDegreeReviews.org](http://OnlineDegreeReviews.org), an unbiased review and ranking site for more than 1,100 online degree programs. Henley-Putnam was given a 9.7 out of 10 for the support and personal attention that it gives to each of its students, and its faculty is ranked as the best in the industry.

[OnlineDegreeReviews.org](http://OnlineDegreeReviews.org) ranks online degree programs according to independent feedback received from students. The online degree programs are rated among six (6) categories including materials, teachers, the overall quality of the institution, student services, value, and technology.

Users of this helpful/informative site can also read subjective views/opinions of students in the online degree program that they are interested in; over a dozen students rated Henley-Putnam's Bachelor of Science (BS) degrees in Intelligence Management, Terrorism and Counterterrorism Studies, and Management of Personal Protection as the very best online education.

"While we are thrilled by our review, these results are no surprise to us," says Greg Von Gehr, CEO of Henley-Putnam University. "We take tremendous pride in that our number one focus is our students. At Henley-Putnam, students are part of a vibrant community of strategic security professionals and receive personal attention from faculty and staff – not only during the course of their studies, but throughout their career."
